Help support our industry's premier undergraduate flexo and graphic arts competition. For more than 27 years, the Phoenix Challenge Foundation continues to build upon its mission to provide access, support, competition, and scholarships for the students who are pursuing education and careers in flexography and graphic arts. These students, through the support of the Foundation, can continue their education and become productive participants at companies in our industry. More than 400 Careers have resulted to date. ***Please sponsor the cause!***

Diamond Sponsor \$2,500+ Includes top recognition across all promotions with logo featured on special signage, giveaways, and college challenge materials.
